Forensics - Home Learning Plan for April 27- May 1:

Goals:

1. Implied Arguments in Advertising and Editorials (Math)
2. Forensic Technique – Fingerprint Analysis (Science)

Expectations for the week:

- Students are expected to complete assignments daily in order to complete the learning in Forensic Techniques and Logic
- Math will have video lessons and practice on Monday and Tuesday and Revision time on Thursday and Friday.
- Science will have practice each day and help sessions on Tuesday and Thursday at 3:30 pm
- Students are expected to reach out and communicate with their teachers at least once during the week. This can be by e-mail or attending a class or help session

Date	Day	Science Topic	Math Topic
4/27	Monday	Fingerprint Analysis: Characteristics of Fingerprints	Logic – Implied Arguments in Advertisements
4/28	Tuesday	Fingerprint Analysis: Matching Fingerprints	Logic – Implied Arguments in Advertisements
4/29	Wednesday	No MST Work Assigned	
4/30	Thursday	Fingerprint Analysis: Limits of the Technique	Revision Time: Exhibits 4 & 5 (no revisions, then logic extensions)
5/1	Friday	Fingerprint Analysis: Who stole the cookies from the cookie jar?	Revision Time: Exhibits 4 & 5 (no revisions, then logic extensions)

***Students Please Note, there are now sections in your class notebook for each week of this Home Learning Adventure. This is where you will find your assignments. For science you will find the videos, recording data, and answering analysis questions directly into One Note. In math the activities vary. Some are done in Forms, some directly in One Note, and some need to be uploaded*

Parent link for class notebook:

Tiffany/Lauren's class: Content Library (Web view)
Jamie/Dawn's class: Content Library (Web view)

How we will communicate/provide help:

- We will check email daily and can schedule phone or video help for students who request it via email.
- There will be two science help sessions Tues and Thurs at 3:30 pm
- Check One Note for Live Math session. Please make appointments this week (M→Th) to go over Exhibit 4 revision feedback. Friday is PLP day, so no help sessions are available.
- We will check OneNote regularly to ensure students are making progress on the exercises/activities.

What is due on Friday 5/1 by 5 pm:

Science Work: Monday-Friday daily assignments
Math Work: Monday & Tuesday-Friday, Revisions of Exhibit 4 & 5 *(Let me know if you need more time for revisions! We can accommodate you!)*
