

Pre-calc plan week 1

For the first week we are out of the building, there will be some work to be completed on Khan Academy to continue moving forward with the work while still having some instruction via their resources.

Since we will still be advancing out learning POW #2 WILL STILL BE DUE ON TUESDAY 3/17

Additionally, in the OneNote in your POWs section are both your POW 1 rubric and digital version of assessment. For those of you who turned in physically I am taking pictures of the document and putting it in for you to still work on it. Revisions will be due on Monday March 23rd.

The goals of week 1 are:

1. Complete revision for POW 1
2. Complete assigned work on Khan Academy. This work focuses on reinforcing factoring skills
3. Complete guided investigation on polynomial functions and using Geogebra effectively

For the assigned work you should watch all videos in the section and complete all work associated with it. In order to do this, you will need to join the Khan Academy class I have created so I can track your progress (see below).

WHAT IS DUE AND WHEN

POW 2 - Tuesday 3/17 by 4:00PM

POW 1 revision - Monday 3/23 by 4:00PM

Khan Academy work and polynomial function investigation - Monday 3/23 8:00 AM

HOW TO JOIN KHAN ACADEMY CLASS

This link should allow you to easily sign up for the class.

<https://www.khanacademy.org/join/MQA9CSVD>

If this link does not work for some reason, follow the direction below. The class code is **MQA9CSVD**

How to join your teacher's Khan Academy class

- 1 Go to khanacademy.org/join
- 2 Enter your class code and press "Add".
Class code:
- 3 If you don't already have an account, press "Create a new account". Enter your date of birth, then sign up using Google, your school email, or by creating a username.
- 4 Enter your grade and course. Now you're ready to start learning!

HOW TO GET SUPPORT/HELP

Each day I will be sending out a link to join a Microsoft teams meeting for when I am free to talk "face to face". In this I will be having a video conference call for the entire time of the meeting and you can join at any time in order to ask questions or get support. Additionally, I will be available by email at various times, but I will be at my computer and in the meeting from 1:00-2:30 daily. If this changes it will be reflected in the email.
