

## Week 6 - Chemistry at Home Learning - Week of 4/27/2020 - 5/1/2020

### *Overview and House Keeping Notes:*

1. **Looking Ahead...** Before the break, students who had completed the week 1 - 5 check-in work received information about the acid-base technical communication assessment project. In week 6 students will either work on this project OR continue working towards completing the week 1-5 work. [A summary of the work that needs to be complete in order to receive the project can be found here.](#) Once students complete this work, they should email Kris letting him know where he can find it in their OneNote folder. This week and the first half of week 7 will be dedicated to this work.
2. The assessment project will be due on Wednesday, May 6. We will be moving on to our final unit for the year on Thursday, May 7. Minimum course requirements can be met by only completing the week 1-5 acid-base work, without the project. However, another course requirement is completing at least 1 of the 3 major assessments being offered this semester. Students who did not complete the biodiesel project, nor this current technical communication project, will need to at minimum complete the final assessment (TBD) in May's unit.
3. Kris will be available this week to answer questions either in the collaboration space or through individual appointments. Please email Kris to set up an appointment.

### STUDENT WORK FOR 4/27 – 5/1

#### Monday 4/27 -

Acid-base assessment project prep work OR completing week 1-5 work.

#### Tuesday 4/28 -

Acid-base assessment project prep work OR completing week 1-5 work.

#### Wednesday 4/29 -

Free Day. Use this day to relax or finish the tutorial work if you need extra time. Kris will not be available on this day, so make a plan to contact him Monday or Tuesday if you have questions.

#### Thursday 4/30 -

Acid-base assessment project prep work OR completing week 1-5 work.

#### Friday 5/1 -

Acid-base assessment project prep work OR completing week 1-5 work. Today is also PLP day, so Kris will not be available to answer questions.
